

WORLD CHAMPION BRONCO BUSTERS TO RIDE BUCKING HORSES AT ARIZONA STATE FAIR

"Prairie Lillies" Allen, World's Champion Woman "Bronco Buster" on a Wild Horse at the Great New York Stampede, Sheephead, N.Y.

"Prairie Lillies" champion woman "brank" rider of the world, accompanied by her husband, the famous "Slim" Allen, arrived in Phoenix yesterday. They will participate in the many cowboy sports at the Arizona state fair, November 13 to 18 inclusive.

The two famous riders came here direct from Salado ranch, Pasture, N. M., and according to "Slim," they arrived here for the purpose of gathering enough prizes to compensate them for having left their home state.

Since last March Mr. and Mrs. Allen have traveled from coast to coast and from Canada to Mexico. They performed in all of the frontier day celebrations and rodeos where they not only won many prizes, but brought home to the Allen family two world's championships.

"Prairie Lillies" won the woman's "brank" championship at Sheephead Bay, N. Y., while "Slim" captured the steer throwing championship of the game at Las Vegas, N. M., when he jumped the animal in seven and two-fifths seconds.

Yesterday afternoon "Slim" and "Prairie Lillies" looked over the state fair grounds and they both declared that the Arizona fair grounds are the most picturesque in the country. And this, in spite of the fact that they have covered the entire country and have also shown in Canada.

There will be \$4,000 in prize money divided among the winners of the cowboy contests at the Arizona state fair and it is expected that visitors at the fair will see nearly all of the best cowboy talent in the country during the week. To date there are six "brank" riders in Phoenix, who have arrived in advance of the big week to prepare themselves for the grilling contests in which they will participate.

business dealings with the school. The following telegram was received Wednesday from Coach McKale of the Wood cat football team:

"Our second team will play you Saturday—guarantee one hundred dollars. Athletic Director Osborne wired acceptance."

A few games have been added to the football schedule and they are as follows:

Nov. 4, U. of A. vs. P. H. S.
Nov. 10, Santa Ana vs. P. H. S.
Nov. 16, P. H. S. vs. Prescott.
Nov. 23, Tucson vs. P. H. S.
Nov. 29, Indians vs. P. H. S.

Harry Westfall, the husky first baseman of the White Sox, has been seen in the city with the Outlaws. Next Sunday "Pat" will do the work behind the bat, with his brother, Flier, on mound. This gives the Outlaws the long needed backstop. With their new lineup they will play some of the best ball of their careers. This is the third game with the White Sox. The White Sox have Herb Hall slated to pitch and consider Sunday's game a walk away for them. But the Outlaw manager is not losing any sleep over this fact, as it was seen in last Sunday's game that the boys could find him the same as anyone else. The new benches will be on the diamond by Sunday week and on that date the Outlaws are trying to arrange a game with the Mesa Jewels. The game Sunday will start at 2:30 p. m.

SHAUGHNESSY, GET BUSY, HERE'S REAL FAIR EXHIBITION

"Right this way, ladies, right this way, gentlemen. Stop lively now. Here it is only a dime, ten cents, the only diving hog in captivity."

T. D. Shaughnessy, secretary to the fair commission, got busy.

Here in our busy midst is the very thing you are looking for—an honest to goodness novelty.

It was discovered in the justice court and immediately the cry went forth to get it for a state fair attraction.

The animal was not on exhibit in the court room, but its owner, S. Kirksey, was and told of its dare devil diving accomplishment.

Mr. Kirksey said that he and his wife were amazed one day to see the hog dive into the ditch beneath their fence. They were undecided what to do, so adopted a watchful waiting policy, when the hog bobbed up serenely on the other side of the fence. Kirksey was brought into court charged with permitting his swine to run at large. The complaining witness, Lewis D. Smith, his neighbor on the Osborn road, testified that the swine dived on his milk maze. A number of witnesses corroborated his testimony.

Justice De Souza has taken the matter under advisement.

DARING BIRD MAN TO MAKE FLIGHT TODAY IN MONSTER BIPLANE

Harry Crawford, one of the foremost Pacific coast aviators, who will furnish many thrills for the big crowds at the Arizona state fair during the week of November 13 to 18 inclusive, will make his first trial flight today in his monster passenger-carrying biplane.

Yesterday the bird man spent the afternoon running the big 90 horse-power engine in his machine to warm up the bearings after he had completely overhauled the craft. He too ran it about the mile track many times and after the workout declared that it was working in nearly perfect condition.

Crawford, who has been an instructor in the aero squadron in the golden state for several years, is one of the best noted aviators in the west. He not only flies upside down and turns one full stage the "slide ship" and "elly roll," which are declared to be the most thrilling performances attempted by bird men.

One of the features of Crawford's exhibitions will be his flights with squeakers. In view of the fact that he is recognized as one of the most audacious and careful aviators in the country, there will be no danger in his flights he will make with passengers.

KNOCKS DOWN REFEREE

[Republican A. P. Leased Wire] KANSAS CITY, Nov. 2.—Benny Chavez of Trinidad, Colo., knocked out Freddie Hamann of San Francisco, in the tenth round of a scheduled twelve round match here tonight. Both are featherweights. Chavez scored another knock down in the fight when he felled the referee with an accidental swing to the jaw as he was being pried out of a clinch. The official was dazed, but continued in the ring.

BRITISH RECAPTURE BOAT FROM GERMANS

[Republican A. P. Leased Wire] LONDON, Nov. 2.—An admiralty official statement issued tonight tells of the recapture from the Germans, of the Dutch steamer, Oldambt. It says:

"The Dutch steamer Oldambt was captured by the enemy, Wednesday night, near Noord Hinder lightship. A prize crew was not aboard and the ship was being taken to Zeeland, when about daylight, some of our light scouting craft overtook her."

"The prize crew attempted to blow the ship and they, with the crew, took to the boats. The prize crew, consisting of one officer and nine men were overtaken and made prisoner, and the ship was taken in tow by one of our vessels."

"Five German destroyers which arrived on the scene, presumably to escort the prize in tow, were engaged and put to flight. The Oldambt was then towed for five hours until within six miles of the Hook of Holland, where she was taken in charge by a Dutch tug."

SATURDAY'S GAME ATTRACTING MUCH INTEREST LOCALLY

The U. of A. and Coyote game, Saturday is leading interest in Phoenix sporting circles. Shadows of doubt are in the minds of both university and high school boosters. High school is confident, while the college men predict certain victory.

The following telegram was sent by the former P. H. S. students congratulating the team on its excellent playing. It was sent by those attending basketball normal.

"Dear Coyotes: You should be proud of your football team as they played a great team game, and were true sports. We feel that it is an honor to be alumni of Phoenix high school. We wish the team success in their future games." Signed: Samuel Reed, Benie Hahn, Gladys Kelly, Frances Ormond and Doris Peeking.

Couch Gary is very silent as to the outcome of Saturday game, however, he is thinking a lot, and running the boys through gym drill and field exercises. Coach McKale is the only successful football educator that the university ever had and Gary is acquainted with that fact.

This will make little difference with Gary as he will go into the game to win and in the end of the week the crimson and the black with its thousand reds will either defeat the upstart Coyotes or teach them the straight of the game.

Ten of the former stars of P. H. S. football came with Gary against the school and most of them understand the methods Gary uses in his coaching. Lewis, Albert, Comstock, the high school stars of two years ago, will be on hand to show their emulating ability.

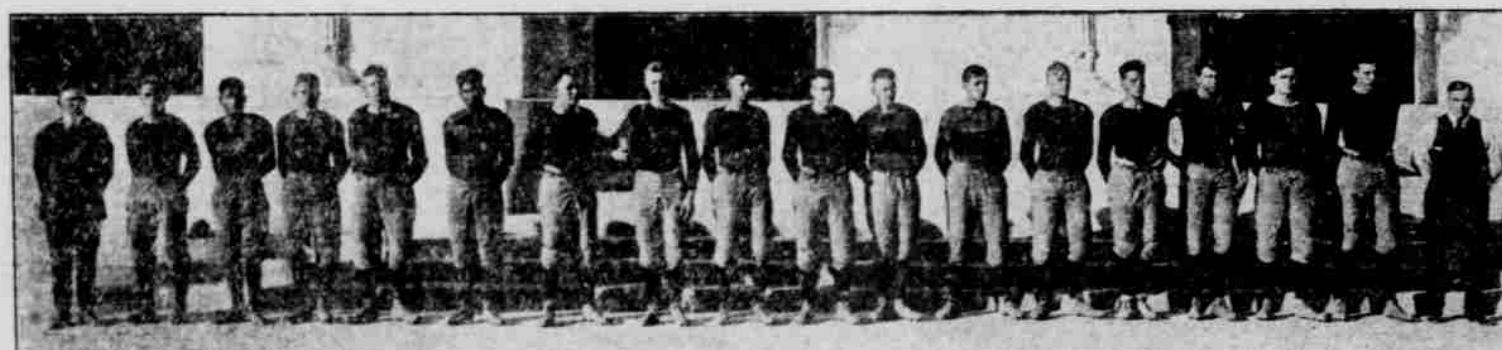

McKale is held with high esteem by the students of Phoenix high school as he has been more than fair in all his
